Example 1: On 7/1/09 Joe decides to redeem his points which is 37 months after he has become a member. (see chart above) Joe has accumulated 1010 points since becoming a member on 6/1/06. Because the program allows individuals to redeem points for the last 36 months, Joe only has 710 points available to him. He's asking for the 500 point for the gift card which gives him 210 points carried over to the next phase.

Example 2: On 5/1/09 Maria decides to redeem her points. Maria became a member on January 07 and has accumulated 2700 points. Maria wants the Mary Kay products for 1000 points, the digital camera for 1200 points and the Riverview Gift card for 500 points which brings her to zero points. She has 0 points to carry over.
