Behind the Scenes

Behind the Scenes will be a series of articles that I plan to submit to The Messenger during my term as President of the Hudson Portuguese Club. The intention is to applaud individuals whose service to the club and to my board have been of extreme help.

This article will show you that your help is always needed, welcomed and appreciated.

The individual that I am about to mention was someone who we had originally asked to be part of the board but had turned the opportunity down due to personal commitments. A year and a half later Kevin Santos still thinking of the club called us to offer his help. Timing could not have been better as we were struggling with time to address one critical issue. Kevin took that on and saved us over \$32k in penalties. I am grateful to Kevin for coming in to help. It is with people like Kevin that we will succeed. Thank you Kevin and welcome to our board.

I am also going to take this space to give you the Story of the Murals in the restaurant and the artists behind them. I brainstormed and looked for ideas until I formed a picture in my head of a scene somewhere in Europe where one could relax and enjoy the atmosphere knowing very well that being able to travel to Europe wasn't going to be possible for most of us so why not bring Europe to the club. Sure it was easier to purchase a mural but then it would not have our personal touch. Luisa and I decided to have it painted without knowing how much work that was going to be. We took the challenge, and it was one. We wanted this to be a community and member project. I invited Norberto Sousa to draw the arches. Once Fred Melo had prepared the walls, then we invited Elvira Chaves who took on painting the arches with that special affect of real Europe. Esperança Stevens (Melo), Luisa and myself started to paint the sky and the ocean. We had different opinions, different visions of the turn out and we felt we were in deep water, so, Luisa called a friend of hers to the rescue, Will Kerr, who in turn brought two other professionals Paul Riedl, and Narda Boughton. All three professional artists helped us finish the mural with ocean, sky and cliffs. Beautiful!

Por detrás da cortina

Por detrás da cortina sera uma série de artigos que tenciono publicar no Mensageiro durante o meu mandato como presidente do Clube Português de Hudson. O objectivo é de realçar e aplaudir indivíduos cuja ajuda ao Clube e à Direcção tem sido the extrema importância.

Este artigo mostrar-lhe-á que a sua ajuda é sempre necessária bem vinda e apreciada.

O indivíduo que vou mencionar foi alguém que havíamos contactado para a nossa direcção, mas por razões pessoais não lhe foi possível juntar-se a nós nesse tempo. Um ano e meio depois, Kevin Santos ainda pensando no clube chamou-nos para oferecer sua ajuda. O sincronismo não poderia ter sido melhor porque nos estávamos-nos esforçando bastante para encontrar tempo para endereçar um assunto crítico. Kevin endereçou isso e em poucas semanas conservou-nos \$32k em penalidades que estavam pendente. Eu estou grata a Kevin pela ajuda. É como pessoas como o Kevin que nós sucederemos. Obrigado Kevin e bem vindo à nossa direcção.

Irei usar este espaço para dar-lhe a história das pinturas murais no restaurant e dos artistas. Eu procurei idéias até que formei a um retrato na minha cabeça de uma cena em Europa onde se poderia relaxar e apreciar a atmosfera sabendo que não iria ser possível a muitos de nós viajar pela Europa. Então porque não trazer um pouco da Eurapa até nós, aqui mesmo no nosso clube. Obvio que seria mais fácil comprar uma pintura mural mas esse não teria o nosso toque pessoal. Luisa e eu decidimos pintá-la sem saber quanto trabalho nós iríamos ter. Nós quisemos que este fosse um projecto da comunidade e dos membros. Eu convidei Norberto Sousa para desenhar os arcos, depois de Fred Melo ter preparado a parede, seguidamente convidei Elvira Chaves que pintou os arcos com essa influência especial da Europa. Esperança Stevens (Melo), Luisa e eu começamos a pintar, o céu e o oceano, mas com diferentes opiniões e visões do final sentimos-nos que estávamos em água profunda, então Luisa decidiu convidar um amigo ao nosso salvamento. William Kerr trouxe por sua vez outros dois profissionais Paul Riedl, e Narda Boughton com três artistas profissionais a visão foi completa de arcos, ceu e mar. Perfeito.

As far as the mosaic, that came about when Bob Valchius donated his daughter's time, Lauren who is an art student. She gave us another unique touch. The "mosaic piece", completes the vision of Europe, always showing individually and personal taste. Very well done and appropriately located to make us wonder what is going on in the other side.

The look of the overall restaurant turned out better than expected and if you haven't had a chance to see it you must come in and then dream of your favorite place with cliffs, water and a beautiful sky while enjoying dinner. I hope you can enjoy it for many years and as much as I do.

Finally in order to complete the hallway and lounge painting on time, David Melo together with the team of our husbands came to our rescue as usual, Fred, Joe and Tony. Also a special thanks to Ines Cabral who came to help decorate and our employees who volunteered their time to put tables and chairs back.

A special thank you goes to Luisa and Fred for the patience and willingness once again to make this vision a reality and to Livi to took on other duties so we could complete this and to the members who waited patiently for the room to be complete.

Thank you all, Lurdes Melo, HPC President ☺

Will it be you behind the scenes for the next article? Remember your help is always needed and greatly appreciated!

Como a parte do mosaico se realizou: Bob Valchius doou o tempo de sua filha Lauren que é estudante de arte a qual deu outro toque da visão Europeia "A peça do mosaico"; completa a visão de Europa, sempre mostrando individualismo e gosto pessoal. Fica muito bem e está localizada apropriadamente para fazer-nos vê as maravilhas que estão no outro lado.

A visão realizou-se melhor do que eu esperava. Se ainda não teve uma oportunidade de vir ao restaurante venha e verá que poderá sonhar com o seu lugar favorito com penhascos, água e um céu bonito ao mesmo tempo que aprecia o seu jantar. Espero que gozem a pintura por muitos anos e que o apreciam tanto como eu.

Finalmente não teríamos conseguir tudo arrumado, com corredores pintados sem a ajuda de David Melo juntamente com a nossa equipa de maridos que vieram ao nosso salvamento habitual, Fred, Joe e Tony. Agradecimentos especiais a Inês Cabral que veio ajudar a decorar e aos nossos empregados que se ofereceram para arrumarem as mesas e cadeiras. Obrigado.

Um obrigado especial para Luisa e Fred pela paciência e a vontade de uma vez mais tornarem uma visão em realidade, e a Livi que tomou outros encargos para assim poder-mos completar este projecto. E a todos os membros que esperaram pacientemente pela completação do quarto.

Obrigadissimo a todos. Lurdes Melo, HPC President ☺

E qual será de vós que será encontrado por detrás da cortina? Lembre-se sua ajuda é sempre necessaria.

Letter to the Editor:

Hello, I was directed to your website today. I was sent an email regarding a book signing event by a teacher from Santa Maria. I read with interest the fact that your group represents families whose origins are from Santo Espírito.

My grandmother Antonia Chaves DOB 1889 and her ancestors were from that village and the surrounding villages of Santa Barbara, and Gloria. She lived in Somerset and married my grandfather Guilherme da Camara, aka DeCambra.

I developed an interest in genealogy in 1995 and started my grandmother's project. It developed into a massive undertaking with more than 15,000 people in my database.

I have completed extracting all the births, marriages and deaths from that village and surrounding areas. I have included all the earliest settlers of Vila do Porto and San Pedro. I have used original records and other research books written by Frutuso and Rodrigo Rodrigues among others.

I have placed these records into families going back to the original settlers and down to present times. If you or any members are interested in this information, you can contact me at this email.

Sincerely, Theresa Entin tentin@fullchannel.net

Carta à Editora

Olá, fui hoje informada sobre o seu website. Enviaram-me um email sobre uma apresentação de um livro por uma professora de Santa Maria. Li com interesse que o vosso grupo representa famílias cujas origens são de Santo Espírito.

Minha avó Antónia Chaves. nasceu em 1889, e os seus antepassados também eram oriundos daquela freguesia, de Santa Bárbara e do lugar da Glória. Viveu em Somerset e casou com me avô Guilherme da Câmara, também conhecido por DaCambra.

Extraí todos os nascimentos, casamentos e óbitos daquela freguesia e freguesias vizinhas. Incluí os primeiros povoadores de Vila do Porto e São Pedro. Usei os arquivos originais de Frutuso e Rodrigo Rodrigues entre outros.

Coploquei esta informação sobre famílias que datam desde os primeiros habitantes até aos nossos dias. Se qualquer dos vossos membros estiverem interessados nesta informação podem contactar-me no seguinte endereço:
